HENRY (STAN) WATERMAN

Map Reference East End 4

Born in Breamore, moved to Whitsbury in great War, back to Damerham aged 10, 1923 on Martin Road. Went to local School until 14 (ran with a hoop). Married Betty (local girl) 1939. She died in 1994. Church Warden for over 20 years.

Terrace built after great fire as "temporary" housing. Betty's grandfather lived in the house and planted the still existing row of lime trees, then Betty's mother and finally Betty & Stan after their marriage.

Stan worked as a farm-worker in the 1930's when he remembers there were 55 farm workers in the village; the roads were all rough tracks and West Park Lane had 2 houses and several ricks but was a mere track up to the Knoll.

He remembers John Steven's car - a Ford (He lived at Bouldsbury Farm in 1933). The area

around the cress beds was lovely. So many changes, some good, some not so good "but you make the best of it".

Robin & Linda (nee Pearce) Isaacs. We have 3 children, 1 daughter Sharon (born 66) & 2 sons Paul (born 67) & Clive (born 69).

The Terrace was built circa 1870. Nos 4 & 7 being houses and the rest bungalows. We have lived here since 1965 the year we were married.

8 THE TERRACE

TREVOR & RUTH KING

Map Reference East End 7

Trevor, Ruth and Stephanie King. Ruth is Swiss and they met in Southern Spain where he was a tennis coach and she, guess what? Worked in a Swiss bank. They've chosen to live in Damerham because Trevor wanted Ruth to like it in England and he thought if she doesn't like it here she won't like it anywhere. And it worked!\

We don't know much about our house. Having lived abroad and both of us not being used to buying property at a young age, we were looking for somewhere to rent and these were the only places available. We like the proximity of the pub, post-office and school, but the house is rather small for a family with children.

We've lived in Damerham for nearly five years and we really like it. There's a good mix of people living here and village life is active.

9 THE TERRACE

ROBERT & GEORGINA WOODRUFFE

Map Reference East End 8

Our son Jason was born from this house. Therefore, it has a very special place in our hearts.

It is a two bedroomed bungalow - small, but very cosy.

Jason was christened at St George's church and we held a party afterwards at the Community Centre - such a perfect place and setting for him to start out in life!
