Owners of Garage Damerham, and we have lived 30 years in the village, when we purchased the house and garage. We have two sons, Timothy, who is married to Mandy, with two children, Elizabeth and Benjamin, and Karl, who is married to Wendy.

The original part of the house dates back to the great fire of Damerham, and one of the first houses to be built down the hill from the Church, but much has been added on since that time.
