

NEW FOREST DRAFT WASTE STRATEGY

Comments on NFDC's draft waste strategy extended to Sunday 20 December

If you have not yet done so, please take a look at New Forest District Council's draft waste strategy, which describes ways they are aiming to increase what can be recycled, and then tell them what you think at <https://newforest.gov.uk/wastestrategy>

Printed packs are also available from NFDC information offices or by calling their customer services 023 8028 5000. And there is a printable version to download at <https://newforest.gov.uk/wastestrategy>
