

Damerham Parish Council CIL Monitoring Report 2019/20

1 Introduction

1.1. New Forest District Council adopted its Community Infrastructure Levy (CIL) Charging Schedule on 4 April 2014 and it came into effect on the 6 April 2015. Planning applications decided on or after the 6th April 2015 were therefore CIL liable.

1.2. The District Council uses CIL to secure Strategic Infrastructure (as shown on the Regulation 123 list of Infrastructure) whilst onsite Infrastructure will continue be secured through Planning Obligations in line with the Policies of the Core Strategy and the Sites and Development Management DPD.

1.3. Strategic Infrastructure is defined as improvements which are required because of the growth in the District up to 2026, and which cannot be attributed to the development of any one site. The Council's Regulation 123 list currently lists this strategic infrastructure as habitat mitigation.

1.4. Local Infrastructure can be defined as development of facilities or services that are essential for development to take place on individual sites, and refers to the facilities or services that are essential for development to occur.

1.5. Regulation 59C states - A local council must use CIL receipts passed to it to support the development of the local council's area, or any part of that area, by funding—

- (a) the provision, improvement, replacement, operation or maintenance of infrastructure; or
- (b) anything else that is concerned with addressing the demands that development places on an area.

1.6. Regulation 62 of the CIL Regulations 2010 (as amended) requires a Charging Authority to: "Prepare a report for any financial year ("the reported year") in which - a) it collects CIL, or CIL is collected on its behalf; or b) an amount of CIL collected by it or by another person on its behalf (whether in the reported year or any other) has not been spent."

1.7. The financial year to which this document relates is 2019/20.
