

THE COFFEE POT

HURRAY, NOT TO MENTION YIPPEE!!

Boris permitting, the Coffee Pot is planning to re-start on Wednesday, 26th May - usual time, 10.30am, at the Village Hall.

Where else can you get a bottomless pot of filter coffee and a slice of cake for £2?

To celebrate, this time your coffee will be free - you just need to buy your cake!

See you there!

DAMERHAM FAIR 2021 – UPDATE

Given the uncertainty of the COVID situation and the problems associated with staging a large-scale event in

a safe and secure environment, plus the financial implications of cancelling at the last minute, the Fair committee have reluctantly reached the decision to cancel this year's Fair.

On a good note however, plans are being made to hold a smaller event during the August bank holiday weekend. This will be for the village plus the Western Downland communities, and it is proposed that we will not publicise this elsewhere, in order to limit the attendees.

Suggested activities being reviewed include a range of children's games; BBQ; live music and some competitions such as themed cakes; photography; scarecrows etc. An exhibition showcasing people's stories of the lockdown, and even a collaborative creative project for display have also been discussed.

Your ideas and suggestions for the Fete would be most welcome. Please contact chairdamerhamfair@gmail.com

News from the Parish Council

The Parish Council respectfully asks people to refrain from dumping unwanted items or rubbish on West Park Meadow. This is a valuable and attractive amenity for the whole of the Damerham community.

Such items can cause injury to children playing on the Meadow and are an eyesore, as well as costing the Parish Council money to have removed.

Thank you

David Crane
